FOR COUNTY COURT CLERK

We are authorized to announce this week our fellow townsman, James Franklin, as a candidate for county court clerk on the Democratic ticket at the August primary.

Mr. Franklin has been a salesman for about twenty years and is clever in meeting people and a good mixer. He knows about keeping books, accounts and records and feels that he can be of service to the people who have business in the office either of the county court or in the county court clerk's office.

Mr. Franklin asks voters to consider his candidacy on his merits and assures everyone of his whole hearted appreciation of such support.

This announcement makes four applicants for this position and each voter should now find one to suit his or her views.

BROWN-McGUIRE

The marriage of Miss Hazel Brown to Clinton McGuire was solemnized at the Christian parsonage at Ashland at 2:00 p.m., Saturday, June 21.

The bride is the daughter of Mr. and Mrs. Kenzie Brown of Matthews. She graduated from Morgan county high school and attended Morehead state teachers college.

The bridegroom is the son of Mr. and Mrs. J. I. McGuire of Matthews. He graduated from Morehead state teachers college and attended the university of Kentucky, receiving his degree in law. He is now employed as assistant manager of Charleston Finance Co. at Charleston, W. Va.

The bride was dressed in blue with white accessories and she wore a corsage of roses.

Present for the wedding were Mr. and Mrs. Kenzie McGuire, Miss Emma Brown, Mr. Otis McGuire, Miss Jessie Cecil, and Misses Barbara Jean and Jo McGuire.

The young couple left for a wedding trip to Virginia Beach. They will be at home at Charleston, W. Va., June 30.

CLICK-BELLAMY

The wedding of Miss Mary Katherine Click of Salt Lick and Dwayne Bellamy of this place was solemnized Saturday, June 21, at 10 a.m., at the home of the bride's mother, Mrs. Alice Click at Salt Lick. Rev. Willam M. Triplett of Mt. Sterling officiated.

The bride wore a dress of tulle, rose crepe with blue and white accessories and a shoulder corsage of gardenias.

Miss Vivian Bellamy, sister of the groom, was the maid of honor and wore a blue crepe dress with natural and white accessories and a shoulder corsage of tallsmann roses.

S. E. Stratton of Hamilton, Ohio, was the best man.

The ceremony was performed before an improvised altar of ferns, hydrangeas, and sweet peas. The house was beautifully decorated with the summer flowers.

After the reception Mr. and Mrs. Bellamy came to West Liberty where a six o'clock wedding dinner had been prepared at the home of the groom's mother, Mrs. Alma Bellamy, after which they left for their home at Dayton, Ohio, where Mr. Bellamy is employed.

GENTRY-MITCHELL

In a candlelight floral setting of white flowers and palms, Miss Viola Gentry, daughter of Mr. and Mrs. Howard Lawrence Gentry, of Jackson, Michigan, was married to James Gault Mitchell, of Holly, Michigan, Saturday evening at 8:30 o'clock in the First Presbyterian church by the Rev. Shannon Griffith.

The bride who was escorted to the altar by her father wore a gown of white marquisette over tulle made with a fitted bodice and a yoke of net. The full skirt terminated in a long train. She wore a tulle veil with a coronet of orange blossoms and carried a bouquet of stephanotis, bridal roses, and white orchids.

Miss Harriet Gentry, sister of the bride, and well known here, was maid of honor and wore a peach marquisette gown fashioned with a sweetheart neckline and full skirt. A peach marquisette hat had full streamers.

Bridesmaids were the Misses Ruthmary Reynolds, June Paulsen, Barbara Lewis, and Louise Porter, of Lapew. They wore aquamarine gowns and matching marquisette hats. All the attendants carried colonial bouquets of tallsmann roses.

The best man was Harold Mitchell, and ushers were Howard L. Gentry, Jr., Dick St. John, David Diehl of Danville, and Joseph Jewett of Mason.

A reception was held at the Country club. White roses decorated the bride's and bridegroom's table.

After a wedding trip in northern Michigan, Mr. and Mrs. Mitchell will reside at Grand Blanc. For traveling the bride wore a brown and cream sheer wool ensemble with an aquamarine hat.

The bride is a granddaughter of Mrs. R. A. Baldwin and has many friends here. She is a graduate of Ward Belmont school at Nashville, Tenn., where she was a member of Oslerian club. She is also a member of Feminea sorority. The bridegroom is a graduate of Michigan state college where he was affiliated with Alpha Gamma Rho fraternity.

Mrs. R. A. Baldwin of this place was among the out-of-town guests at the wedding.

Eldon Howard of White Oak visited last Tuesday at Morehead.

FOR MAGISTRATE

The Courier is authorized to announce this week the candidacy of A. C. Sexton of Ezel for the Democratic nomination for magistrate in district no. 2. We present his name for the consideration of the voters of his district with the assurance that your vote and support will be appreciated.

Early in life he gave his heart to God and was converted. During his life he often repeated that he was prepared to go to be with Jesus. Besides his widow, Jane Stamper, he is survived by three sons and one daughter—Amyx, of Hazel Green, Conn. of Sellers, Carl of Detroit, Mich., and Mrs. E. I. Dawkins of Jackson, and one daughter, Harlan Stamper, of Middletown, Ohio. Also surviving to mourn his passing are 13 grandchildren and a number of other relatives and friends.

Funeral services were held Saturday, June 21, at the home of his son, Conn. Stamper, at 10 a.m., by Rev. Harlan Murphy of this place and Rev. Jim Perkin of Buckle Burial was made in the family cemetery.

OUR TOWN WATER

The new water plant so long awaited is now in operation. For the benefit of the users this article will attempt to tell you what happens to the water from the time it leaves Licking river until it reaches your house. At the pumping station the water is drawn from the river and flows to the treatment plant. As the water enters the first basin at the treatment plant, lime and alum are added in the correct proportion to cause all mud and visible dirt to collect and hang together in what is known as a floc. The water slowly passes over what is known as the settling basin where this dirt which has collected together settles to the bottom. By the time the water reaches the filters it is extremely clear.

The filter beds consist of several feet of fine sand. As the water passes thru the closely packed sand the tiny particles of organic matter which would not settle out are caught and held by the sand. From the collecting basin under the filters the water is pumped to the large reservoir on the hill. As it leaves the plant for the proper chlorine is added in the proper strength to effectively take care of any bacteria or germs which may have escaped the filter. From the reservoir on the hill the water flows thru the lines to your home. The water plant is under the constant supervision of a competent operator. The water when it reaches you is absolutely safe for drinking. City water such as we have now is about the only water supply which is sure to be safe from disease producing germs at all times.

Samples of the water are sent each week to the state laboratories for examination. When using this water you can be sure that it is free from contamination and danger. The water system is invaluable to West Liberty and every house in town should be served by this system.

Minor Tague, S. L. Morgan County Health Department.

QUESINBERRY-EARLY

Announcement has been made of the marriage of Miss Esie Quesinberry of Morehead to Ralph Early of this place, but formerly of Morehead.

The ceremony was performed by Rev. Henry Hall at his residence at Clearfield, Thursday, June 12.

Mr. Early is the employer of the rural electric association and he and Mrs. Early are making their home on Glen avenue.

More WPA Work

A project has just been received for operation and will start as soon as it is practical for the construction of 105 sanitary privies in areas around Ind. A. Camp, Malone, Cal. Camp, Ind. A. Camp, and Camp. The project is supported by the state department of health at a cost to the federal government of \$2,500, making a total cost of \$4,528. Approximately 26 men will be given employment for two months.

REVIVAL AT BAPTIST CHURCH

A vacation Bible school and revival meeting started at the West Liberty Baptist church on Monday of this week.

Elder Clyde B. Stephens of Hillsboro, O., is conducting the school and preaching each night.

Over 75 pupils have been enrolled in the Bible school, but there is plenty of room for more, and boys and girls who have not yet come are urged to start at once. The school opens at 8:30 every morning.

Attendance and interest in the preaching services have been good, and you are cordially invited to be with us each night at 7:30 to hear real spiritual preaching of the word of truth.

McGUIRE

Florida Castle McGuire was born June 24, 1885, at Malone, and died June 22, 1941, at the age of 55 years, 11 months, and 28 days. She was the daughter of Wm. and Nancy Jane Castle. In 1904 he was united in marriage to Cag McGuire, and the union were born three sons. The oldest son, David S., preceded his mother in death. The family home has always been in this community.

For several years Mrs. McGuire had been in poor health, but still added comfort to her life as a mother and a wife. She had not felt well. On Saturday evening she was taken ill and died during another attack of the illness which had been passing away for some time. She was at the time of her death were her son, Marie, and two sisters, Mrs. Walter and Mrs. Lee Mrs. Lee had been with her sister for a number of weeks, and her companion was very comforting in the last days of her life.

Mrs. McGuire leaves to mourn her loss her husband, James, who has been most patient and kind in all the times of suffering. Two sons, Charles and Marie, and Marie of Malone, two grandchildren, four sisters, Mrs. Lora Lee of Hagers-town, Md., Mrs. Eliza Lykins of Ezel, Ky., Mrs. Lou R. Smith of Breckinridge, Ohio, and Mrs. Curt Walters of Middletown, Ohio, and one brother, Charles, Castle of Blaine, Ky. Besides these are many other relatives and a host of friends who will greatly miss her presence here on earth.

She was converted and joined a church at the age of 14 years. She was a member of the West Liberty Baptist church.

Not long before her death, Mrs. McGuire was suffering from a serious illness, and she was very comfortable in the last days of her life.

So free from all sorrow and pain, with soul at ease, she rests in our heavenly home.

To meet our loved one, we will meet her in the land of the living.

Funeral services were conducted at the Eastern Baptist church at Malone on Tuesday, June 24, by Rev. Harlan Murphy of West Liberty, and Arthur Gathman of Middletown, O., and Arthur Gathman of Malone, Burial was in the family cemetery at Malone.

CONSIDERING RACE

We Liberty, Ky., June 24, 1941. To the people of Morgan county.

I have received over 100 letters and solicitations to run for county judge or county attorney, and have been urged from every part of the county, but I have not wanted to mess with county office and I have told one and all that if I should run I would have to change my mind. I do feel grateful for the confidence expressed in these solicitations, and it is hard not to answer the call of your friends. It seems that many taxpayers want to draft me in this election if there could be any such thing as drafting a person to run for county office.

The last day for filing is July 3, 1941, and by that date I will make a definite decision as to what my course should be. However, I do not want county office, but I do know that you need relief from taxes, and a business like program inaugurated in Morgan county. I am,

Sincerely yours,

LYNN B. WELLS, Atty.

WEST LIBERTY WINS

The West Liberty Red Legs won their fifth game of the season Sunday by defeating the Campton baseball team 9-4 at Campton. The game got off to a thrilling start for West Liberty who garnered most of their scores in the first two innings. J. Cottle relieved Wendell Nickell on the mound in the seventh with H. Stacy catching. The hitting was led by Elmer Craft, who got three for five.

Sunday afternoon, June 29, at the local field, West Liberty will play Beattyville, which is tied with the Red Legs for first place in the Red River league standing.

On Friday July 4, West Liberty will meet the colored team from Ashland in an exhibition game at the local diamond.

An Idea or Two

Ideas without ideals are dangerous.

The best time to correct a mistake is before you make it.

The Bible explains a whole lot about the preaching that is being done.

If what you don't know doesn't hurt you, that doesn't prove that it won't.

The difference between Nazis and Communists is that Nazis are not only nasty but dangerous.

Some persons seem to work harder to avoid work than would be necessary to earn an honest living.

Many a man has learned to his sorrow that it is easier to overcome a girl's "No" than her "Yes."

So long as we have representative government it cannot be much better or worse than the average citizen.

A doctor most deserves to be paid, and is least likely to be, when he tells you you must take a vacation.

Russian atheists quoted scripture for their purpose the other day, but it is not likely that many American "Christians" recognized it.

War question no. 7,964: Does the Nazi invasion of Russia increase or diminish the dangers confronting America? Answer yes or no.

Any politicians, teachers, or preachers to the contrary notwithstanding, constantly repeating or even shouting a lie does not make it true.

Defense production in the United States is developing to the point that if the British hold out a few more months this nation will be reasonably secure.

That is a good law which requires officials handling public funds to publish financial statements, but it hasn't been doing much good in Morgan county.

The Courier welcomes the thought that it belongs to its subscribers, in the fullest sense of the word, but some of them forget that pay days come around regularly.

The idea of "taking profit out of war" seems to be still just an idea.

The driver of an automobile, who sneaks up on a pedestrian and then seizes the daylight out of him by a loud burst from what is miscalled a horn, ought to be jailed.

Maybe most of our readers don't have any opinions, but if you do, why not write us a few lines for "Reader's Opinions"? You never can tell, you might win a prize.

The difficulty of solving world problems is clearly perceived by anybody who has tried to get a committee of five men, or women, to agree upon a question of procedure.

This is the time of year when politicians have great admiration for the power and wisdom of the people; later on, most of them will be convinced that the people made a mistake.

Are there many people in Morgan county who practice the old idea of attempting to plan their daily lives according to principles, and not in an effort to do what everybody else is trying to do?

We trust we can take a joke as well as anybody, but the one about Hitler defending us from the Reds is getting stale. When we want a mad dog to defend us from a louse we'll deserve to be bit.

NAZIS FIGHT REDS

Hitler's armies attacked Red Russia Sunday morning of this week. The attack, in full harmony with Nazi customs, followed by a year or two the signing of a German-Russian non-aggression pact and trade agreements, and shortly after repeated Nazi assurances of close friendship between the two countries, Russia had been dealing with Hitler exactly as Wheeler and Limburger have been telling this country to do.

Germany says its forces are overcoming all opposition and proceeding according to plan. Russia says its forces are successful in defense and that practically all attacks are being repulsed.

Military experts declare that Nazi armies will probably conquer Russia within a month or so and then with greatly increased strength turn once more toward England for final blows there. Other military experts say that Stalin and Hitler will destroy one another and decent folks should stand back and watch the fun.

British and American governments have decided that the safest course is to smash Hitler now, if possible, and worry later about the Communists, who have more stink than sting.

Now you know all about it.

J. Everett Bach and daughter Eleanor and son Bill were in town Monday.

"What beat her then?"
"An echo."

Jones was talking to some friends of a fishing trip he was contemplating on his holiday.
"Are there any trout up there?" questioned one of the friends.
"Trout? Thousands of 'em," replied the other enthusiastically.
"Will they bite easily?"
"Will they?" reiterated Jones.
"Why, they're absolutely vicious! A man has to hide behind a tree to bait his hook."

At a popular port all the crew asked for shore leave except one man.
"What's the matter?" asked the officer. "Are you the only sailor what hasn't got a wife in this port?"
"No," replied the exception, "I'm the only one that has!"

MAMMOTH CAVE WILL BE ESTABLISHED THE TWENTY-SIXTH NATIONAL PARK ON JULY 1

"TELLING KENTUCKIANS OF KENTUCKY" SERIES

ABOVE: View of Kentucky Press Association dinner three years ago in Snowball Dining Room 287 feet underground in Mammoth Cave. The Kentucky Press Association held its 1941 convention at Mammoth Cave June 5-7. Snowball Dining Room is one of the showplaces of the cave.

(This is one of a series of articles sponsored by the Kentucky Press Association which in 1941 would tell Kentuckians of Kentucky as Kentucky should tell the world in 1942—Seventieth Anniversary Year. Other articles of this nature will appear in newspapers of Kentucky from time to time.)

BY JOE RICHARDSON Of The Glasgow Times

Mammoth Cave will be accepted July 1, 1941, by the federal government as the 26th National Park. And inasmuch as it lies within overnight ride of more than half of the country's population, it is expected to be one of the greatest and most popular parks in the national park system.

One of the seven wonders of the new world, Mammoth Cave has been attracting visitors in ever-increasing numbers for more than 125 years. Mammoth Cave was discovered 142 years ago. From the beginning Mammoth Cave has had important part in the history of these United States. During the War of 1812 saltpetre was leached from the petre-dirt in the cave and was used in the manufacture of gun powder. Historians believe that had the saltpetre mines of Mammoth Cave not been worked the battle of New Orleans donated funds and the funds made available from each of sources mentioned above. The approximately 51,000 acres of the proposed 71,000 acres have been acquired for the minimum bound-

dary of this great national park.

Area Is Well Protected

The Civilian Conservation Corps has played a large part in the development of Mammoth Cave National Park. Since establishment of the first of three camps in the park area May 22, 1933, the Corps has greatly advanced conservation of flora and fauna in the area many years by the construction of 65 miles of all-weather truck trails which provide the park rangers means of effectively patrolling the entire park area, thereby greatly increasing the protection of wildlife, as well as the detection and suppression of one of our greatest menaces — forest fires.

In addition to the protection of these natural features, and in order to provide for the health, sanitation and fire protection of the visiting public, a new water system and sewerage system, second to none, have been completed by these CCC boys under the supervision of the National Park Service and public health officials. More than \$200,000 was expended on these two new improvements.

2,900,000 Seedlings Planted

No CCC camp could boast of a well rounded work program without expending great effort to stop soil erosion. In this endeavor, CCC enrollees have planted over 2,900,000 tree seedlings for gully control of over 3,000,000 square yards. In connection with the tree planting, approximately 8,000 temporary check dams have been constructed to suppress erosion.

The area is protected by one of the best detection systems in the National Park Service. Four big lookout towers have been erected at advantageous points, which enable lookouts to have a complete coverage of the park. This tower observation is augmented by an up-to-date automatic dial phone system which consists of more than 60 miles of copper wire telephone line that is used in connections with the hotel, the caves, the offices and all parts of the park.

Many Improvements Noted

Recent improvements include

six dwellings for park personnel and two under construction for others. Stone structures housing the machine shop, the new pumping station, the chlorinating unit, the incinerator, two warehouses, and the comfort station in the big picnic area, all attest to the fine work of the CCC in the park.

Nature trails of from two to eight miles along the picturesque Green river have been constructed, and all trails within the cave itself, have been improved. An amphitheatre has been provided for public meetings; shuffle board and tennis courts have been provided, and a camping and picnic area, with table and bench combinations sufficient to accommodate 1,200 persons, has been recently completed. This picnic area is provided with water fountains and sanitary comfort station. Provision has also been made for boating and bathing in the beautiful Green River which runs through the park for a great many miles.

200,000 Visitors In 1940

Mammoth Cave has two main entrances, one natural, known as the Old, or Historic Entrance, and the other, man-made, known as the Frozen Niagara Entrance. There are four routes in the cave and trips are made every hour on the hour. The caves and hotel are open every day in the year for the visitors who come from every state in the union, and from many foreign countries. More than 200,000 visitors were registered in the park area last year. The National Park Service maintains an Entrance Station at the eastern entrance to the park on highway 70 west from Cave City. All roads leading into the cave area are main paved highways. Cave is 100 miles south of Louisville, 85 miles north of Nashville, by either U. S. 31 E or U. S. 31 W. Mammoth Cave Hotel is open the year around. In addition to the hotel, with excellent accommodations, there are 36 cabins and cottages available. The fine dining room service, the coffee shop and out-of-doors eating place are at your service at all hours.
